subject: Freedom of Information request

Dear Mr Flynn,

Thank you for your recent email and information requests. Please note that London & Quadrant Housing Trust is an independent housing association and is not a public authority as defined under the Freedom of Information Act, irrespective of the recent statistical change announced by the Office of National Statistics. We would refer you to the recent public statement from the Department of Communities & Local Government in this regard.

On this occasion due to the resources required to process your requests we are unable to answer your specific questions at this time. We remain committed, however, to open publication of regular reports on our actions, spending and performance. These can be found on our website for your interest <http://www.lqgroup.org.uk/>.

Kind regards

**Taniem Mueen**
